Transportation Employees may leave other jobs to take trips due to licensing and certification requirements.
- C. 1. A copy of all trip request forms that have been approved and dated by the Superintendent shall be given to the Transportation Supervisor and Transportation Representative of the Association by the Superintendent's office. All trips must be posted on the calendar by 8:30 a.m. the following workday. Extra trips shall be offered on the basis of a seniority rotation (top to bottom) of all Bus Drivers. All extra trips shall be signed for at least forty-eight (48) hours in advance except for emergency trips. Emergency trips will be handled by phone when possible or announced over the radio on the next regular run and will also follow the seniority rotation. If forty-eight (48) hour rotation puts a driver in line for an emergency trip and the driver is locked in for previous trip in rotation for the same day and time frame, the next available trip shall be offered. There will be no loss of rotation due to emergency trip.

2. Any unusual trips as defined below shall be posted on the Trip Board in the Bus Garage and will be paid according to the following definitions:

Extension of time (EXT)	Minimum Field Trip (MFT)
Minimum Trip (MT)	Drop Off Only (DO)

Anything within the District is considered a minimum trip of one and one-half (1.5) hours.

Extension of time indicates trips which begin thirty (30) minutes from the starting or finishing times of your regular schedule.

A minimum field trip is a trip outside of the Pine River School District boundaries and is paid two-and-one-half (2-1/2) hours, (if the total time for the trip is two-and-one-half [2-1/2] hours or less).

Drop off only trips are from the point of origin to the return site.

- D. Driver Rotation for Extra Trips: The parties agree that in the implementation of Article XX, Transportation, Section C, the seniority rotation for Bus Drivers on extra trips shall be strictly preserved. If a Driver signs for a trip that is subsequently canceled, that driver shall be given the first opportunity to sign for the first trip outside the forty eight (48) hour requirement. The next extra trip is to be offered, via seniority, to the driver who would have been eligible for the next available trip (not locked in), had his/her trip not been canceled. If the canceled trip results in a loss of a regular run, the driver shall be paid for a minimum field trip which shall count as a turn in rotation. At this time all other trips have been signed for will have to be resigned. Once the forty-eight (48) hours has passed with no one signing for it, the run will be assigned to low seniority. No driver shall miss a rotation trip when it would fall on the same day as a make-up trip. That driver then shall be offered the next available trip.
- E. Drivers will come in and check book each morning by 8:30 a.m. to comply with the forty-eight- (48) hour sign up. All trips will be considered locked in at that time. Saturday trips will be locked in by 8:30 a.m. Wednesday. Drivers not wishing to take trips will sign a form to that effect to allow a timely sign up for other drivers. Drivers wishing to change their mind to trips may do so by signing for a trip.
- F. Bargaining Unit Members who provide transportation and other related services to the handicapped student(s) shall be provided awareness and training on how to deal with such student. The Employer agrees to provide lifts on any vehicles transporting wheelchair students, and seat belts or other restraints for each student transported when specified in the IEPC. Bus Drivers involved in transporting student(s) with special needs will be notified by the appropriate building Principal regarding input at IEPC meeting should the affected Bus Driver's input be necessary in developing the student(s) IEP. If a Bus Driver is experiencing behavioral problems with a student with special needs the driver should contact the appropriate building Principal. Bus aides will be provided in the event the safety of the driver and/or passengers is compromised by the behavior and/or physical needs of the passengers as determined by an IEPC or the Employer.

- G. Buses will be parked at the home of the Bus Driver to which they are assigned, unless determined otherwise by the Transportation Supervisor.
- H. All special trips involving sixteen (16) or more students shall be driven by a Bus Driver member of the Bargaining Unit. If a special trip is not school District sponsored it is understood that non-school owned transportation may be used; however, if school vehicles are used, Bus Driver Employee's shall be offered the opportunity to drive the special trip.
- I. No probationary Bus Driver shall be eligible for out-of-District extra trips during his/her probationary period.
- J. Lodging – Bus Drivers
 - 1. Should lodging be necessary during an extra trip, the cost incurred by the Employee shall be advanced by the Employer.
 - 2. It is understood that on all overnight trips, Employees will be paid for eight (8) hours unless an emergency should occur requiring additional hours.
 - 3. Transportation Request Form can be found in Appendix F.

ARTICLE XXI – ABSENCES AND SUBSTITUTIONS

- A. Substitutes for positions within their building shall be considered from the Bargaining Unit for each opening provided the unit member meets the job description qualifications for the vacancy. Individuals within his/her building will have the first option to fill vacancies. Qualifications will be determined by a committee comprised of Bargaining Unit Members and the Administration. Unit members will have the opportunity to test for positions during the month of August prior to the opening of the school year. New hires will periodically have the opportunity to test/attend trainings during the academic year. An Employee's building will be considered the building where they have most hours per day. Exception will be allowed in unusual circumstances with the approval of the Bargaining Unit and Administration. Middle School and High School will be considered separate buildings.

Union members shall indicate to Central Office their willingness and availability to substitute in a particular area. Bargaining Unit Members will be allowed to sign up for substitute work in September and January. New hires will be allowed to sign for substitute work at the time of their employment.

There may be times when qualified personnel, either inside or outside of the Bargaining Unit, are not available to fill a position. At that time it will be the discretion of the building Administrator/Supervisor not to fill a vacant position. Examples of those positions may be maintenance positions, groundskeeper, bus mechanic, Title I/Chapter I/At Risk paraprofessionals, middle school/high school library paraprofessional.

Additionally, supervisors/building Principals may be required to cover in emergency situations.

- B. The Board shall provide an assigned individual(s) to handle all calling of substitutes required. The caller(s) shall be contacted by the Employee during the prescribed hours of paragraph C below. The caller(s) will only be required to make one (1) call to the first person on the list before going on to the next name and until the position has been filled. An Employee will be able to refuse to sub three (3) times before being removed from the sub list. The caller(s) shall document times of all calls they make.

- C. An Employee unavailable for work will call in at least one (1) hour before his/her shift begins. If an Employee needs a sub outside the sub call in time, he/she must call his/her building Administrator. No calls will be placed to the caller after 10:00 p.m. Every effort will be made to call during the normal work day of the sub caller(s).

ARTICLE XXII – DURATION OF AGREEMENT

This agreement shall be effective as of September 1, 2006, and shall continue in full force and effect through August 31, 2008. Negotiations between the parties shall begin sixty (60) days prior to the contract expiration date.

If, pursuant to such negotiations, an Agreement on the renewal or modification is not reached prior to the expiration, this Agreement shall expire at such expiration date unless it is extended by written mutual agreement by both parties.

It is agreed between the District and the Association that field trips/make up trips signing will be handled as follows:

3. If a driver is working in another department or on a field trip and cannot be there to sign, they must call and make their trip intentions known to the classification rep or Rob.
